RESTRICTIONS ON USE OF THE SOFTWARE.
1.4. BENCHMARKING: This Licence does not prevent you from using the Software for benchmarking purposes. However, you shall ensure that any and all benchmarking data relating to the Software, and any other results of your use or testing of the Software which are indicative of its performance, efficacy, reliability or quality, shall not be used to disparage ARM, its products or services, or in a manner that, in ARM's reasonable judgment, may diminish or otherwise damage the reputation of ARM.

1.5 COPYRIGHT AND RESERVATION OF RIGHTS: The Software is owned by ARM or its licensors and is protected by copyright and other intellectual property laws and international treaties. The Software is licensed not sold. You acquire no rights to the Software other than as expressly provided by this Licence. If the Software was provided to you in Europe you shall not reverse engineer, decompile or disassemble any of the Software for the purposes of error correction.

1.7 RESTRICTED USE
You agree that you shall not use the Software or the Output other than pursuant to and in accordance with the exercise of any of the licences granted under this Licence. Without limiting the generality of the foregoing, you shall not use the Software or any Output: **(a)** for determining if any features, functions or processes provided by the Software are covered by any patents or patent applications owned by you or a third party; or **(b)** for developing technology, applications or products which avoid any of ARM's intellectual property in the Software licensed hereunder; or **(c)** as a reference for modifying existing patents or patent applications or creating any continuation, continuation in part, or extension of existing patents or patent applications.

1.8. STANDARDS
ARM shall not be obligated to indemnify You in respect of any suit brought by a third party against You based upon a claim that any of the Software delivered by ARM to You under this Licence infringes a patent owned by such third party where such claim is based on the implementation of a Standard.

ARM has incorporated support for specific Standards. You acknowledge and agrees that the licenses granted under Section 1 of this LICENCE are subject to You having obtained directly all necessary patent licenses that relate to the implementation in Applications of any applicable Standards. ARM shall have no liability to You with respect to infringement by the Software of patents that relate to the implementation in Applications of the Standards.

You agree to defend and indemnify ARM for any claims received by ARM as a result of Your failure to comply with the stated provisions in this paragraph "Standards".

2. LICENSE OF FEEDBACK TO ARM
2.1   You may at your discretion deliver any suggestions, comments, feedback, ideas, or know-how (whether in oral or written form) to Arm relating to or connected with your use of the NPU Firmware ("**Feedback**"). Notwithstanding the foregoing, you shall not knowingly give to Arm any Feedback that you are aware (or should reasonably be aware) is subject to any patent, copyright or other intellectual property claim or right of any third party.

2.2   Except as expressly notified by you to Arm (in writing which may include email) to the contrary, you hereby grant to Arm under your and your affiliates (as applicable) intellectual property, a perpetual, irrevocable, royalty free, non-exclusive, worldwide license to: (i) use, copy, modify, and create derivative works of the Feedback; (ii) sell, supply or otherwise distribute the whole or any part of the Feedback (and derivative works thereof) as part of any Arm owned or licensed product(s) without obligation or restriction of any kind; and (iii) sub-license to third parties the foregoing rights, including the right to sub-license to further third parties. No right is granted by you to Arm to sub-license your and your affiliates (as applicable) intellectual property except to the extent that it is provided to Arm as Feedback and is embodied in any Arm owned or licensed product(s). For the avoidance of doubt, if, during the License Term, you provide notice to Arm revoking the license granted under this clause 2.2, you acknowledge and agree that such revocation shall not apply to Feedback delivered to Arm prior to the date of receipt of the revocation notice, and that (notwithstanding the foregoing) Arm shall continue to be permitted to use Feedback received after the date of receipt of the revocation notice for internal purposes. Any Feedback you provide to Arm will be considered as non-confidential.

2.3   Except as expressly licensed to Arm in clause 2.2, you retain all right, title and interest in and to the Feedback provided by you under this License.

ARM does not seek to limit or exclude liability for death or personal injury arising from ARM's negligence or ARM's fraud and because some jurisdictions do not permit the exclusion or limitation of liability for consequential or incidental damages the above limitation relating to liability for consequential damages may not apply to you.

NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THIS LICENCE, THE MAXIMUM LIABILITY OF ARM TO YOU IN AGGREGATE FOR ALL CLAIMS MADE AGAINST ARM IN CONTRACT TORT OR OTHERWISE UNDER OR IN CONNECTION WITH THE SUBJECT MATTER OF THIS LICENCE SHALL NOT EXCEED THE GREATER OF: (I) THE TOTAL OF SUMS PAID BY YOU TO ARM (IF ANY) FOR THIS LICENCE; AND (II) $10.00 USD. Except as expressly agreed in writing, this Licence may not be modified by purchase orders, advertising or other representation by any person. If any clause or sentence in this Licence is held by a court of law to be illegal or unenforceable the remaining provisions of this Licence shall not be affected thereby. The failure by ARM to enforce any of the provisions of this Licence, unless waived in writing, shall not constitute a waiver of ARM's rights to enforce such provision or any other provision of this Licence in the future.
